DO YOUR PART!
Help combat online
sexual exploitation of children.

Project Safe Childhood aims to combat the growing problem of internet-related sexual exploitation crimes against children. The serious threat of sexual predators soliciting children for physical sexual contact has received substantial media attention. No less disturbing is the production, distribution and possession of child pornography. The response to these growing problems must be coordinated, comprehensive, and robust.

YOU CAN HELP!

PROTECT YOURSELF — PROTECT YOUR CHILDREN!

For starters, and to learn more about

Project Safe Childhood is a national initiative of the United States Department of Justice designed to help protect children from online sexual exploitation and abuse. The United States Attorney for the District of New Mexico has forged a partnership with federal, state, and local agencies to implement Project Safe Childhood in New Mexico.
